

# Goodwood Oval Precinct Redevelopment Concept Plan

**Upgrade oval surface** to provide new drainage, irrigation and turf.

**Resurface tennis courts** and extend by approximately 9m south to meet safety clearance distances and provide viewing areas between sets of courts.

**Provide new walkway** between the expanded tennis courts and the new cricket pitches to facilitate access to oval.

**Construct new cricket practice pitches** to address Goodwood Cricket Club safety concerns and meet standards. A total of 15 pitches to be constructed (10 turf and 5 concrete). Each pitch will be approximately 25m in length and 3.6m in width.

**Open space area** for junior sports, passive recreation and community use.

**Repurpose buildings** to create small multi-purpose community spaces.

**Renew playground** as part of Council's future open space asset renewal program.

**Large timber play structure** for older children

**Natural landscape area** with more trees with understory planting and shaded seating.

**Replace carpark** with basketball hoop & netball ring with a seating deck
